

Social Media Guidelines for Swaniti Initiative

Swaniti Initiative

Social media is a powerful tool for Swaniti Initiative to engage with stakeholders, share our mission, and create a positive impact. These guidelines are designed to help employees, volunteers, consultants and representatives of Swaniti Initiative (“**Personnel**”) effectively and responsibly use social media platforms to promote our work and values:

Alignment with Swaniti Initiative’s Values:

- All social media activity should align with Swaniti Initiative's mission, vision, and values.
- Always represent the Swaniti Initiative in a professional and positive manner.

Official Social Media Accounts:

- Only authorized individuals designated by Swaniti Initiative are allowed to manage official social media accounts.
- Use strong and unique passwords for official accounts and ensure proper account security.

Personal vs. Professional Accounts:

- When discussing topics related to Swaniti Initiative in public, clearly identify personal views as individual opinions and not reflective of the Swaniti Initiative's stance, unless otherwise requisite authorization to speak on behalf of Swaniti Initiative has been obtained.
- Avoid sharing confidential or sensitive information about Swaniti Initiative on personal accounts.

Responsible Posting:

- Fact-check information before posting and cite credible sources when sharing data or statistics.
- Do not engage in or promote false information, rumors, or misleading content.
- Do not represent Swaniti Initiative in any public event, movement, or campaign - physical, digital, or virtual - until categorically approved or asked.

Protecting Privacy:

- Respect the privacy of Swaniti Initiative's beneficiaries, partners, and stakeholders.
- Obtain consent before sharing personal stories, images, or videos of individuals.

Avoiding Offensive Content:

- Refrain from posting or sharing content that is offensive, discriminatory, defamatory, or violates any laws or Swaniti Initiative's policies.
- Be mindful of cultural sensitivities and diverse perspectives.

Copyright and Intellectual Property:

- Always respect Intellectual Property laws and obtain proper permission before using or sharing IP-protected content.
- Give proper attribution to original creators when sharing their work.

Crisis Communication Protocol:

- In the event of a crisis, refer all inquiries or media requests to the designated spokesperson or communications team.
- Avoid engaging in speculation or unauthorized communication during sensitive situations.

Moderation and Engagement:

- Monitor and moderate comments on official social media account to maintain a respectful and inclusive online community.
- Respond to inquiries, comments, and messages in a timely and courteous manner.

Use of Branding and Logos:

- Use official branding, logos, and graphics provided by Swaniti Initiative for official accounts.
- Maintain consistency in visual identity to strengthen recognition.

Training and Awareness:

- All Personnel involved in social media activities should receive training on these guidelines and best practices.
- Stay informed about updates and changes in social media platforms.

Reporting Misuse or Violations:
