

Organisational Policy Amendments

Substance Abuse policy

Swaniti maintains a zero tolerance policy toward substance abuse within offices and/or official work hours and travel.

Effective Date: May 16th 2023

Policy Statement:

Swaniti Initiative is committed to creating a safe and healthy work environment for all employees. As part of this commitment, the organization has adopted a strict no substance abuse policy. Substances include alcohol, alcoholic beverages, unprescribed drugs and any substance which is declared to be "[Drugs of Abuse](#)" by the Narcotics Control Bureau, Ministry of Home Affairs, Government of India. This policy prohibits the possession, consumption, distribution, or sale of substance on Swaniti's premises, during work hours, or at any work-related events, work related travels, work related in-formal gatherings, professional get togethers, and off-site functions. The organization expects all employees to comply with this policy at all times.

Scope:

This policy applies to all employees, including full-time, part-time, temporary, and contract workers, as well as visitors, clients, and vendors, while they are on Swaniti's premises or engaged in any work-related activities.

Policy Guidelines:

Prohibition: Substance use is strictly prohibited on Swaniti Initiative's premises, during work hours, and at any work-related events or with colleagues, donors, partners and/or employees of other organizations which are having any direct or indirect professional relation with Swaniti. This includes the possession, consumption, distribution, or sale of alcoholic beverages.

Impairment: Employees must not report to work or engage in work-related activities while under the influence of substance. This policy aims to ensure a safe and productive working environment for all.

Disciplinary Actions: Violation of this policy may result in disciplinary actions, up to and including verbal warnings, written warnings, suspension, and termination of employment, depending on the severity and frequency of the violation.

Reporting Violations: Employees are encouraged to report any violations of this policy to their immediate supervisor, human resources manager, or any designated authority. Reports will be treated confidentially, and no retaliation will be taken against individuals reporting violations in good faith.

Accommodation for Substance Abuse Issues: Swaniti Initiative recognizes that some employees may struggle with substance addiction or substance abuse issues. In such cases, the organization is committed to providing support, resources, and referrals to appropriate assistance programs. Employees are encouraged to seek help voluntarily and inform human resources managers or their supervisor to explore available support options.

Communication and Awareness: Swaniti Initiative will communicate this policy to all employees upon its implementation and provide regular reminders to ensure awareness and understanding. The organization will also conduct periodic training sessions on the policy and its implications.

Legal Compliance: This policy adheres to all applicable local, state, and federal laws and regulations regarding substance consumption in the workplace.

Review:

This policy will be reviewed periodically to ensure its effectiveness and compliance with legal requirements. Any necessary revisions will be made accordingly.

By adhering to this substance use policy, Swaniti Initiative aims to maintain a safe, healthy, and productive work environment for all employees. Your cooperation and compliance with this policy are essential to its success.

- d. The onus of sharing such information remains with the employee who is directly engaged or likely to be engaged. Any concealment of information of such type will result in disciplinary action.

5. Compliance:

- a. Employees should comply with all policy guidelines and procedures when participating in events of other organizations. Employees should be aware of and comply with any relevant regulations related to data protection, competition laws, and any other relevant laws.
- b. More than two instances of failure to comply with the guidelines will be considered equivalent to be a willful violation and may result in termination of employment and or financial or non-financial penalty

6. Data security:

- a. Employees are expected to not share their personal data to unverified entities.
- b. Any data related to organisation, projects, partners, plans or individuals can be shared only after due approval from the reporting manager or any competent authority.

7. Mental well being:

- a. The organisation intends to keep employees mentally healthy and at their best potential. To take care of mental well being, due provisions have been made like fixed work hours to maintain work life balance, communication policy to mitigate the incidences of harsh words, PSEA Policy and safeguarding policy to secure all concerned from all types of threats that may arise during professional engagements.
- b. The organisation has also provisioned to have a professional help on Mental Health Expert on report of cases of mental health depletion due to work pressure.

8. Penalties:

- a. Penalties for violations of this guideline may include disciplinary action, up to and including termination of employment. The internal investigation team will investigate any reported violations and take appropriate action based on the findings.
- b. In case the instances of violation are not reported within 24 hours of their occurrence, the organization will be free to take self-cognizance and start the investigation from its own side.

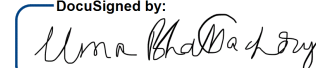

It is important that the guidelines are communicated to all employees, and that any violations are managed consistently and fairly. The management will regularly review the guidelines and update them as necessary to ensure that it remains relevant and effective.
